## HD Online Player (Call Of Duty Modern Warfare 2 Highly)

In developing the campaign mode, Infinity Ward was inspired by real-life conflicts. Initially, they tested the multiplayer mode by playing an internal beta ... and it didn't work out. While developing a multiplayer campaign with one of the most famous players in the world, Infinity Ward decided to go the old tried-and-true way and asked a famous player to conduct a pre-release beta. The task was assigned to a team captain nicknamed Fozzy. At the time, she wasn't even a team captain. All you knew about Fozzy was that she was nothing like you.
